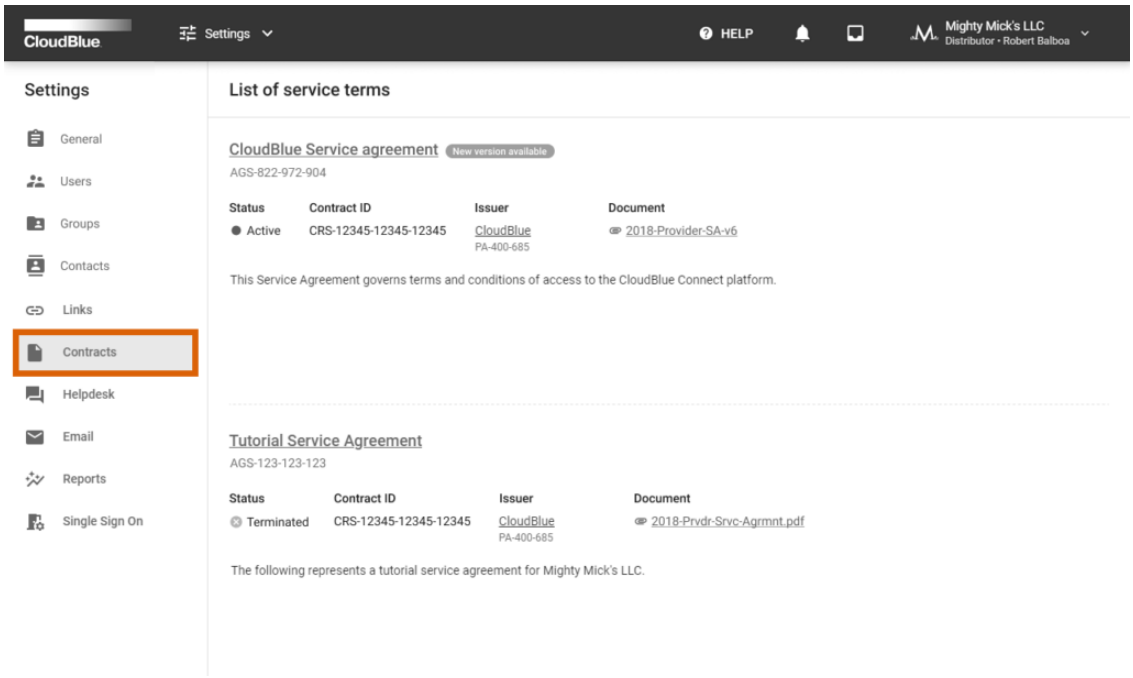
Access the **Contracts** section to review your accepted Service Agreement terms and get familiar with agreement updates.

The system displays various information on your generated service contract, such as the contract status, identifier, issuer, and agreement document:



The system also notifies about agreement updates and provides the corresponding message next to the updated agreement.

Service Agreements Details

Click on your service agreement from the Contracts section to access the service agreement details screen. This screen provides your signed contracts and allows signing new contract versions.

In case a new contract version is available, activate a new contract version by clicking the **Sign** button under History.
