Creating Offers

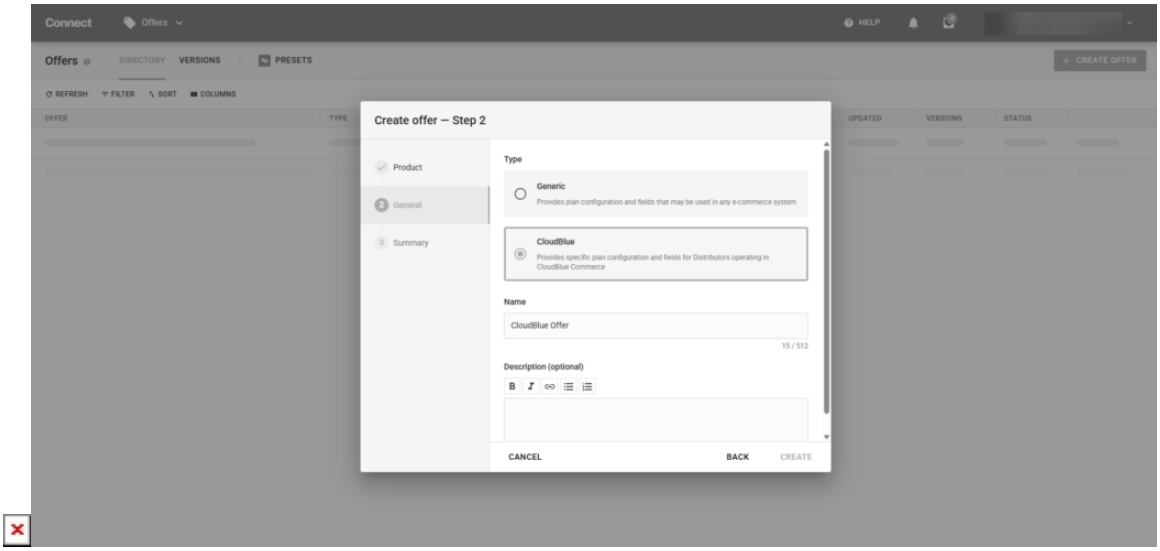

Navigate to the **Offers** module on the Vendor Portal. Created offers are displayed under the **Directory** section.

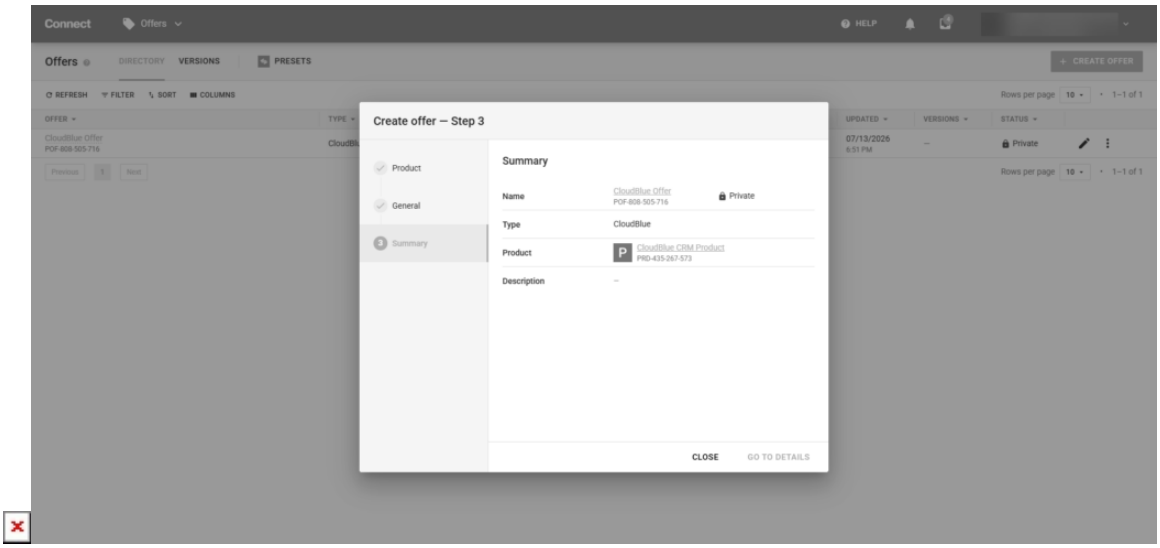

Click the **Create Offer** button to launch an offer creation wizard.

© Ingram Micro, Inc. All Rights Reserved.

Follow the wizard steps to successfully configure a new CloudBlue offer:

1. Select a product from the provided list.
2. Specify the following general properties:
   - **Type:** Select CloudBlue.
   - **Name**: Enter your offer name.
   - **Description**: Provide a description of your offer (optional). Note that this description will be displayed within the *Details* tab from your offer details screen.
3. Click **Create** to finalize your offer creation.

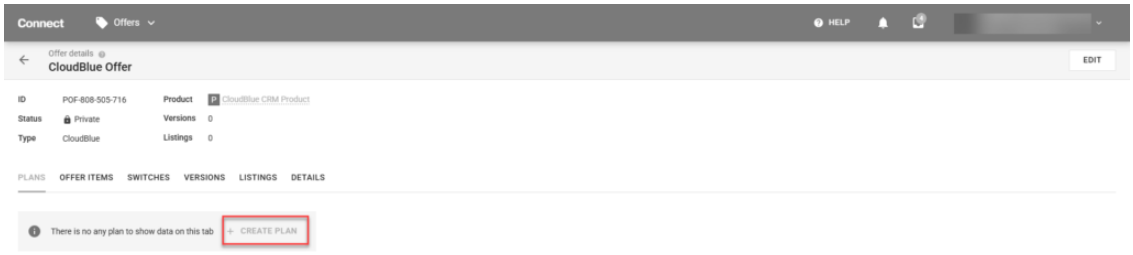

As a result, the system provides your created offer object summary. Click the **Go to Details** button to access the offer details screen. Otherwise, click **Close** to return to the Directory tab.

Creating Plans

Proceed to the **Plans** tab from the **offer details** screen. This tab allows accessing your created plans.

Click the **Create Plan** button to launch a plan creation wizard.

1. Specify general properties

Fill out the following general properties form:

- **Name**: Enter your plan name.
- **Preset**: Select a published preset
- **Period**: Select an appropriate period your plan.
- **External ID** (optional): Provide an optional External ID for your plan.

Click **Next** to continue.

2. Select the countries for your plan

Search and select the appropriate countries that this plan is applicable for

Click the **Create** button to continue.

3. Review your summary

The wizard will provide plan creation summary.
