Packs User Interface

This article has been generated from the online version of the documentation and might be out of date. Please, make sure to always refer to the online version of the documentation for the up-to-date information.

Auto-generated at June 2, 2026

The Packs module allows you to configure information packages appropriate for your different types of resellers that are interested in selling available products within your product catalog in a multi-tier distribution model on the CloudBlue Connect platform.

Distributor User Interface

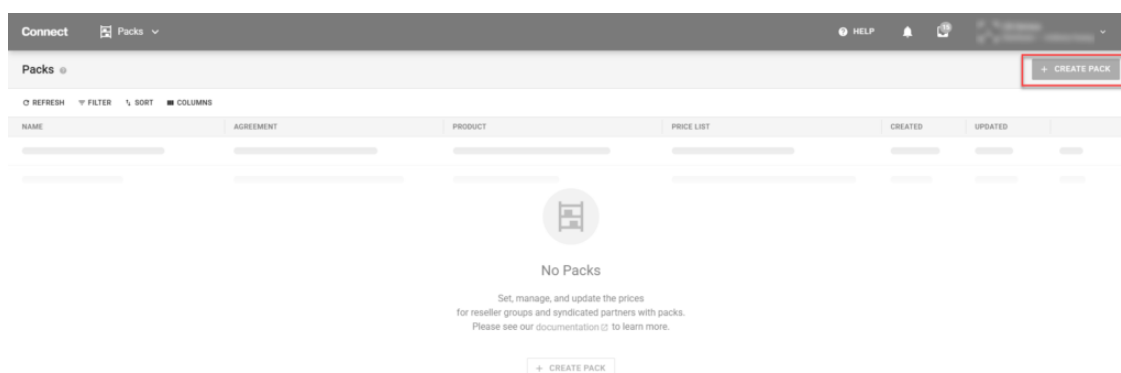

Information

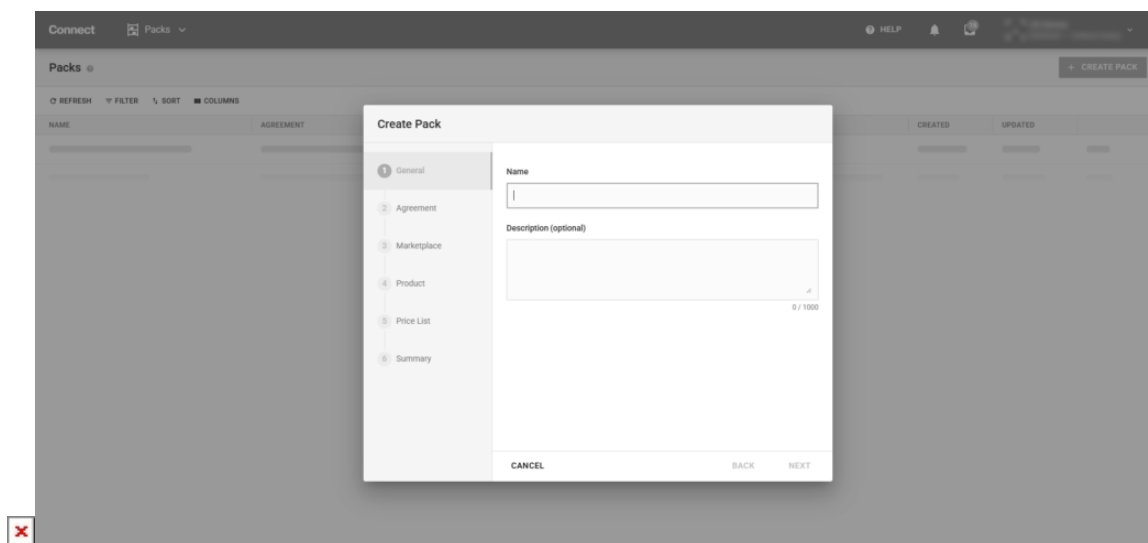

The following section is only available within the Distributor Portal, unless otherwise noted

New Packs Creation

Navigate to the Packs module. Within the Pack module, click the **Create Pack** button at the top-right corner.

The following walk through wizard will become available:

- **General**
 - **Name:** Provide a name for the Pack
 - **Description (optional):** Provide a description for the Pack
- **Agreement:** Select the appropriate service agreement
- **Marketplace:** Select the marketplace associated with the Pack
- **Product:** Select the specific product for the pack
- **Price List:** Select the desired price list that the resellers will receive in conjunction with the above selected configuration

Once the wizard is completed, the newly created Pack will be available within the Packs module.

Reseller User Interface

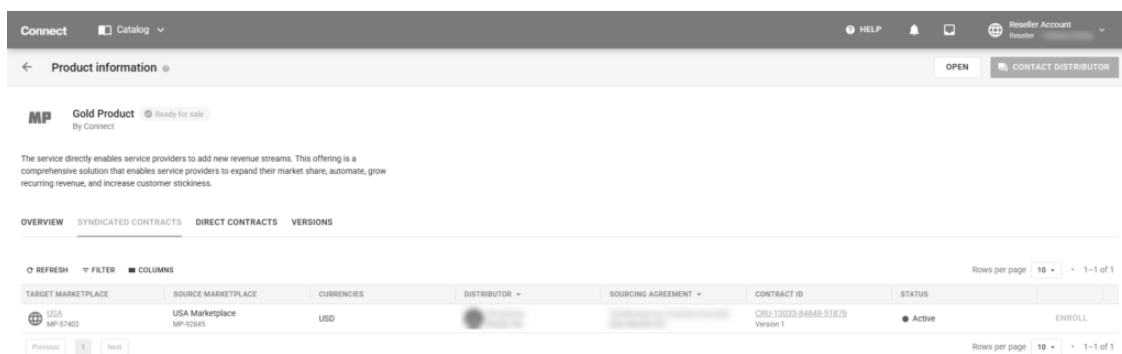

Information

The following section is only available within the Reseller Portal, unless otherwise noted

Within the Reseller portal of CloudBlue Connect, navigate to the appropriate catalog within the Catalog module.

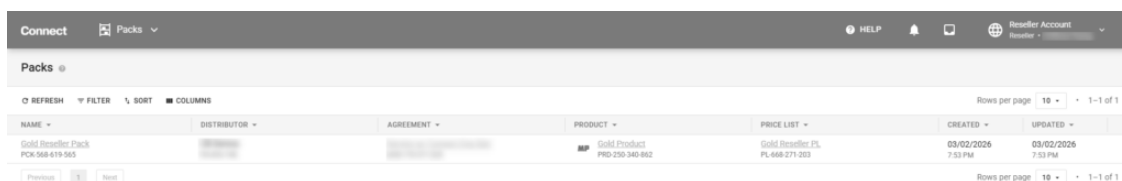

Once the desired product is selected, select the syndication contracts tab and enroll in the appropriate marketplace. When complete, the product status will be marked as **Active**.

TARGET MARKETPLACE	SOURCE MARKETPLACE	CURRENCIES	DISTRIBUTOR	SOURCING AGREEMENT	CONTRACT ID	STATUS	ENROLL
USA MP-57402	USA Marketplace MP-92845	USD			CSL-13033-88848-51875 Version 1	Active	ENROLL

Once the Product status is marked as **Active** within the Catalog, any associated packs with the exact configured dimensions (sourcing agreement, marketplace, and product) will be made available to the Partner that enrolled within that syndication contract.

NAME	DISTRIBUTOR	AGREEMENT	PRODUCT	PRICE LIST	CREATED	UPDATED
Gold Reseller Pack PCR-568-619-565			Gold Product PRD-230-340-862	Gold Reseller PL PL-468-271-202	03/02/2026 7:53 PM	03/02/2026 7:53 PM

Warning

If there is no Pack created for the specific configuration, Resellers will not see any associated packs when they enroll into the product. Please contact your Distribution partner if needed.

Once the Pack is confirmed available within the Reseller Portal's Pack module, the information may also be seen directly within the Price module and other associated modules within the platform.
